

**FOR IMMEDIATE RELEASE**

[PONTE VEDRA BEACH, FLORIDA; JUNE 21, 2013] The Pink Ribbon Golf Classic (PRGC) Committee announces the 7th Annual Pink Ribbon Golf Classic on October 10, 2013 at the Ponte Vedra Inn & Club. This is the Jacksonville Metro area's only all women Charity Golf Tournament, created in part by breast cancer survivors, to provide direct financial support for breast cancer research and related services here locally. Also unique to this event is that the PRGC provides this support to two of our areas most prestigious medical institutions: Baptist Medical Center Beaches and Mayo Clinic-Jacksonville. These facilities lead the way in local research and provide high-quality treatment to citizens in our community who have been affected by this devastating disease.

Over the past six years The Pink Ribbon Golf Classic (PRGC) has raised \$618,371.00. The PRGC Committee has worked hard to insure that at least 80% of these funds have been directly invested with these two institutions for breast cancer research, related programs/projects and diagnostic equipment. The ambitious goal for 2013, is to raise over \$150,000.

This tournament is made possible through the generous support of our corporate and individual donors. The PRGC is very proud to announce this year's Presenting Sponsor: **Brumos Motor Cars & Mercedes-Benz of Orange Park**. Additionally, we are grateful for the continued support of our founding partner, The Ponte Vedra Inn & Club, which will host the tournament as they have generously done so for the past six years.
